## ABOUT THIS PROSPECTUS

This prospectus is part of a registration statement on Form S-3 that we filed with the Securities and Exchange Commission (the “SEC”) using a “shelf” registration process.

Under this shelf registration process, the selling stockholders named herein or to be named in a supplement to this prospectus may sell up to 3,250,814 shares of our common stock, including 2,705,864 shares issuable upon exercise of the Purchase Warrants, the Placement Agent Warrant and the Pre-Funded Warrants, from time to time in one or more offerings. Each time that any of the selling stockholders offer and sell shares of common stock using this prospectus, to the extent necessary, we may provide you with a prospectus supplement to this prospectus that will contain specific information about the offering, the selling stockholders, as well as specific amounts, prices and terms of the shares of common stock being offered. We may also authorize one or more free writing prospectuses to be provided to you that may contain material information relating to these offerings. ### **Our Company**

Ideal Power is located in Austin, Texas. Prior to April 2018, we were primarily focused on the design, marketing and sale of electrical power conversion products using our proprietary technology called Power Packet Switching Architecture™, or PPSA™. PPSA™ is a power conversion technology that improves upon existing power conversion technologies in key product metrics, such as size and weight while providing built-in isolation and bi-directional and multi-port capabilities. PPSA™ utilizes standardized hardware with application specific embedded software. Our products were designed to be used in both on-grid and off-grid applications with a focus on solar + storage, microgrid and stand-alone energy storage applications. The principal products of the Company were 30-kilowatt power conversion systems, including 2-port and multi-port products.

On April 16, 2018, we realigned into two operating divisions: Power Conversion Systems, to continue the commercialization of our PPSA™ technology, and B-TRAN, to develop our Bi-directional bi-polar junction TRANsistor (B-TRAN™) solid state switch technology.

On January 2, 2019, our Board of Directors (our "Board") approved a strategic shift to focus on the commercialization of our B-TRAN™ technology and a plan to suspend further power converter system, or PPSA™, development and sales while we located a buyer for our power conversion systems division and PPSA™ technology. On September 19, 2019, we closed on the sale of our power conversion systems division and are now solely focused on the further development and commercialization of our B-TRAN™ technology.

### **Recent Developments**

#### ***Private Placement***

On November 7, 2019, we entered into a securities purchase agreement (the "Purchase Agreement") with certain institutional and accredited investors, including Dr. Lon E. Bell, our Chief Executive Officer and Chairman of the Board, for a private placement in which we agreed to issue shares of our common stock and warrants to purchase shares of our common stock, in each case as described below, for aggregate gross proceeds of \$3.5 million (the "Offering"). The Offering closed on November 13, 2019 (the "Closing Date").

In the Offering, we issued and sold (i) an aggregate of 544,950 shares of common stock at a price of \$2.4763 per share to the investors (the "Investor Shares"), and (ii) pre-funded warrants (the "Pre-Funded Warrants") to purchase up to 868,443 shares of common stock (the "Pre-Funded Warrant Shares") issuable upon exercise of Pre-Funded Warrants to certain investors at a price of \$2.4763 per share minus a nominal exercise price of \$0.001 for each Pre-Funded Warrant Share. The Pre-Funded Warrants were issued to certain investors whose purchase of shares of common stock would make them the beneficial owners of more than 4.99% (or, at the investor's election, 9.99%) of our outstanding common stock. The Pre-Funded Warrants were immediately exercisable as of the Closing Date and will not expire prior to exercise.

In addition, under the terms of the Purchase Agreement, we issued to the investors warrants (the "Purchase Warrants") to purchase up to an aggregate of 1,766,751 shares of our common stock (the "Purchase Warrant Shares") with an exercise price of \$2.32 per share. The total number of Purchase Warrant Shares represented 125% warrant coverage to the Investor Shares and Pre-Funded Warrant Shares purchased in the Offering. The Purchase Warrants were exercisable immediately as of the Closing Date and expire five years from the date of issuance.

As compensation to the placement agent in the Offering, in addition to a cash fee for its services, we issued a placement agent warrant to purchase up to 70,670 shares of common stock, with an exercise price of \$2.9716 per share (the "Placement Agent Warrant"). The other terms of the Placement Agent Warrant are substantially the same as the Purchase Warrants.

The exercise prices of the Pre-Funded Warrants, the Purchase Warrants and the Placement Agent Warrant are subject to adjustment for stock splits, stock dividends, recapitalizations, and similar transactions as provided for in the terms of the Pre-Funded Warrants, the Purchase Warrants and the Placement Agent Warrant. The holders may exercise the Pre-Funded Warrants, the Purchase Warrants and the Placement Agent Warrant in whole or in part.

In connection with the Purchase Agreement, we entered into a Registration Rights Agreement (the "Registration Rights Agreement") pursuant to which we agreed to file the registration statement of which this prospectus form as a part with the SEC relating to the offer and resale by the holders of the Investor Shares, the Pre-Funded Warrant Shares and the Purchase Warrant Shares. Pursuant to the Registration Rights Agreement, we were obligated to file the registration statement by December 13, 2019 and are obligated to use our reasonable best efforts to cause the registration statement to be declared effective by January 27, 2020, which is 75 days from the Closing Date. Failure to meet those and related obligations, or failure to maintain the effective registration of the Investor Shares, the Pre-Funded Warrant Shares, and the Purchase Warrant Shares will subject us to the obligation for the payment for liquidated damages.

The foregoing descriptions of the Purchase Agreement, the Registration Rights Agreement, the Purchase Warrants and the Pre-Funded Warrants do not purport to be complete and are qualified in their entirety by reference to the full text of such documents, copies of which are filed as exhibits to the registration statement of which this prospectus forms a part.

#### ***Reverse Stock Split***

On August 15, 2019, we effected a reverse stock split (the "Reverse Stock Split") of the outstanding shares of our common stock by a ratio of one-for-ten, and our common stock began trading on Nasdaq on a split-adjusted basis on August 20, 2019. The par value of our common stock remained unchanged at \$0.001 per share after the Reverse Stock Split. All share amounts, per share data, share prices, exercise prices and conversion rates set forth in this prospectus have, where applicable, been adjusted retroactively to reflect the Reverse Stock Split.

#### **Corporate Information**

We were formed in Texas on May 17, 2007 and converted to a Delaware corporation on July 15, 2013.

We currently intend to use the cash proceeds from any Purchase Warrant, Placement Agent Warrant and/or Pre-Funded Warrant exercise for working capital and general corporate purposes. The amount and timing of our actual use of proceeds may vary significantly depending upon numerous factors, including the actual amount of proceeds we receive and the timing of when we receive such proceeds. In addition, the terms of the Purchase Warrants and the Placement Agent Warrant provide that each Purchase Warrant and the Placement Agent Warrant may be exercised on a cashless basis at any time if, at the time of exercise thereof, there is no effective registration statement registering, or the prospectus contained therein is not available for the resale of, the shares underlying such Purchase Warrants or Placement Agent Warrant, as applicable, by the holder thereof. The terms of the Pre-Funded Warrants provide that each Pre-Funded Warrant may be exercised on a cashless basis at any time. ## DESCRIPTION OF CAPITAL STOCK

*The following description of our capital stock is intended as a summary only. This description is based upon, and is qualified by reference to, our certificate of incorporation, as amended to date (our "certificate of incorporation"), our certificate of designation of preferences, rights and limitations of Series A convertible preferred stock (our "certificate of designation"), our bylaws, as amended to date (our "bylaws"), and applicable provisions of the General Corporation Law of the State of Delaware (the "DGCL"). This summary is not complete. You should read our certificate of incorporation, our certificate of designation and our bylaws, which are incorporated by reference as exhibits to the registration statement of which this prospectus forms a part, for the provisions that are important to you.*

### **Authorized and Outstanding Capital Stock**

Our certificate of incorporation provides that we may issue up to 50,000,000 shares of common stock, par value \$0.001 per share, and 10,000,000 shares of preferred stock, par value \$0.001 per share. 3,000,000 shares of our authorized preferred stock have been designated as Series A Convertible Preferred Stock, par value \$0.001 per share (the "Series A Preferred Stock"). As of December 13, 2019, we had outstanding 2,099,951 shares of common stock and no shares of preferred stock.

### **Common Stock**

Each holder of our common stock is entitled to one vote for each such share outstanding in the holder's name. No holder of common stock is entitled to cumulate votes in voting for directors.

Holders of our common stock are entitled to such dividends as may be declared by our Board out of funds legally available for such purpose, subject to any preferential dividend rights of any then outstanding preferred stock.

In the event of our liquidation, dissolution or winding up, the holders of our common stock are entitled to receive pro rata our assets, which are legally available for distribution, after payments of all debts and other liabilities and subject to the prior rights of any holders of preferred stock then outstanding.

The shares of common stock are neither redeemable nor convertible. Holders of common stock have no preemptive or subscription rights to purchase any of our securities. The shares of common stock are not subject to further calls or assessment by us. There are no redemption or sinking fund provisions applicable to the common stock. All of the outstanding shares of our common stock are fully paid and non-assessable.

### **Preferred Stock**

#### ***General***

Our certificate of incorporation provides that our Board has the authority, without any further action by our stockholders, to designate and issue up to 10,000,000 shares of preferred stock in one or more classes or series and to fix the powers, rights, preferences, and privileges of each class or series of preferred stock, including dividend rights, conversion rights, voting rights, terms of redemption, liquidation preferences and the number of shares constituting any class or series, which may be greater than the rights of the holders of the common stock.

The purpose of authorizing our Board to issue preferred stock and determine its rights and preferences is to eliminate delays associated with a shareholder vote on specific issuances. The issuance of preferred stock, while providing flexibility in connection with possible acquisitions, future financings and other corporate purposes, could have the effect of making it more difficult for a third party to acquire, or could discourage a third party from seeking to acquire, a majority of our outstanding voting stock. Additionally, the issuance of preferred stock may adversely affect the holders of our common stock by restricting dividends on our common stock, diluting the voting power of our common stock or subordinating the liquidation rights of our common stock. As a result of these or other factors, the issuance of preferred stock could have an adverse impact on the market price of our common stock.

#### ***Series A Preferred Stock***

On February 23, 2017, we filed our certificate of designation with the Secretary of State of the State of Delaware creating our Series A Preferred Stock and establishing the designations, preferences, and other rights of the Series A Preferred Stock, which became effective upon filing.

On February 24, 2017, we entered into a purchase agreement with the institutional and other accredited investors identified therein, relating to a private placement of our common stock and warrants to purchase shares of common stock (the “2017 Private Placement”). We also agreed to sell to investors whose purchase of common stock would have resulted in such investor, together with its affiliates and certain related parties, beneficially owning more than 9.99% of our outstanding common stock immediately following the consummation of the offering, an aggregate of 708,430 shares of our Series A Preferred Stock. As a result of the Reverse Stock Split, each share of Series A Preferred Stock was convertible, subject to certain beneficial ownership limitations described below, into shares of common stock on a ten-for-one basis (the “Conversion Shares”). The 708,430 shares of Series A Preferred Stock were converted into 70,843 shares of common stock in February 2019.

In addition, on February 24, 2017, we entered into an exchange agreement (the “Exchange Agreement”) with certain affiliates of AWM Investment Company (the “Exchanging Stockholders”), pursuant to which we effected the exchange of 810,000 shares of common stock held by the Exchanging Stockholders for 810,000 shares of Series A Preferred Stock. Pursuant to the terms of the Series A Preferred Stock and as a result of the Reverse Stock Split, the Exchanging Stockholders had the right to convert the Series A Preferred Stock into shares of common stock on a ten-for-one basis, subject to adjustment in the event of stock splits, recapitalizations and other similar events; provided, however, that the Series A Preferred Stock could not be converted by the Exchanging Stockholders if, after giving effect thereto, the Exchanging Stockholders would beneficially own more than 9.99% of our common stock (the “Conversion Limitation”). The Conversion Limitation could have been increased or decreased by the Exchanging Stockholders, but in no event would it exceed 9.99%, in each case calculated as provided in the certificate of designation establishing the Series A Preferred Stock.

Our Series A Preferred Stock ranks senior to our common stock with respect to dividend rights and rights on liquidation, winding-up and dissolution. Our Series A Preferred Stock has a stated value of \$2.535. Holders of Series A Preferred Stock are entitled to receive dividends declared or paid on our common stock. The holders of the Series A Preferred Stock do not have the right to vote on any matter except to the extent required by Delaware law.

The 810,000 shares of Series A Preferred Stock were converted into 81,000 shares of common stock in December 2019.

#### **Anti-Takeover Effects of Certain Provisions of Delaware Law and Our Charter Documents**

**Effect of Delaware Anti-Takeover Statute.** We are subject to Section 203 of the DGCL, an anti-takeover law. In general, Section 203 prohibits a Delaware corporation from engaging in any business combination (as defined below) with any interested stockholder (as defined below) for a period of three years following the date that the stockholder became an interested stockholder, unless:

- prior to that date, the board of directors of the corporation approved either the business combination or the transaction that resulted in the stockholder becoming an interested stockholder;
- upon consummation of the transaction that resulted in the stockholder becoming an interested stockholder, the interested stockholder owned at least 85% of the voting stock of the corporation outstanding at the time the transaction commenced, excluding for purposes of determining the number of shares of voting stock outstanding (but not the voting stock owned by the interested stockholder) those shares owned by persons who are directors and officers and by excluding employee stock plans in which employee participants do not have the right to determine whether shares held subject to the plan will be tendered in a tender or exchange offer; or
- on or subsequent to that date, the business combination is approved by the board of directors of the corporation and authorized at an annual or special meeting of stockholders, and not by written consent, by the affirmative vote of at least 66 2/3% of the outstanding voting stock that is not owned by the interested stockholder.

Section 203 defines “business combination” to include the following:

- any merger or consolidation involving the corporation and the interested stockholder;
- any sale, lease, exchange, mortgage, transfer, pledge or other disposition of 10% or more of the assets of the corporation involving the interested stockholder;
- subject to certain exceptions, any transaction that results in the issuance or transfer by the corporation of any stock of the corporation to the interested stockholder;
- subject to limited exceptions, any transaction involving the corporation that has the effect of increasing the proportionate share of the stock of any class or series of the corporation beneficially owned by the interested stockholder; or
- the receipt by the interested stockholder of the benefit of any loans, advances, guarantees, pledges or other financial benefits provided by or through the corporation.

In general, Section 203 defines an “interested stockholder” as any entity or person beneficially owning 15% or more of the outstanding voting stock of the corporation, or who beneficially owns 15% or more of the outstanding voting stock of the corporation at any time within a three-year period immediately prior to the date of determining whether such person is an interested stockholder, and any entity or person affiliated with or controlling or controlled by any of these entities or persons.

**Our Charter Documents.** Our charter documents include provisions that may have the effect of discouraging, delaying or preventing a change in control or an unsolicited acquisition proposal that a stockholder might consider favorable, including a proposal that might result in the payment of a premium over the market price for the shares held by our stockholders. Certain of these provisions are summarized in the following paragraphs.

*Effects of authorized but unissued common stock and blank check preferred stock.* One of the effects of the existence of authorized but unissued common stock and undesignated preferred stock may be to enable our Board to make more difficult or to discourage an attempt to obtain control of our Company by means of a merger, tender offer, proxy contest or otherwise, and thereby to protect the continuity of management. If, in the due exercise of its fiduciary obligations, the Board were to determine that a takeover proposal was not in our best interest, such shares could be issued by the Board without stockholder approval in one or more transactions that might prevent or render more difficult or costly the completion of the takeover transaction by diluting the voting or other rights of the proposed acquirer or insurgent stockholder group, by putting a substantial voting block in institutional or other hands that might undertake to support the position of the incumbent Board, by effecting an acquisition that might complicate or preclude the takeover, or otherwise.

In addition, our certificate of incorporation grants our Board broad power to establish the rights and preferences of authorized and unissued shares of preferred stock. The issuance of additional shares of preferred stock could decrease the amount of earnings and assets available for distribution to holders of shares of common stock. The issuance also may adversely affect the rights and powers, including voting rights, of those holders and may have the effect of delaying, deterring or preventing a change in control of our Company.

*Cumulative Voting.* Our certificate of incorporation does not provide for cumulative voting in the election of directors, which would allow holders of less than a majority of the stock to elect some directors.

*No Stockholder Action by Written Consent.* Our certificate of incorporation expressly prohibits stockholders from acting by written consent. This means that stockholders may only act at annual or special meetings.

*Vacancies.* Our certificate of incorporation provides that all vacancies may be filled by the affirmative vote of a majority of directors then in office, even if less than a quorum.

*Special Meeting of Stockholders.* A special meeting of stockholders may only be called by the chairman of the Board, the chief executive officer, or the Board at any time and for any purpose or purposes as shall be stated in the notice of the meeting, and shall be called by the secretary upon the written request of the holders of record of at least 25% of the outstanding shares of common stock. This provision could prevent stockholders from calling a special meeting because, unless certain significant stockholders were to join with them, they might not obtain the percentage necessary to request the meeting. Therefore, stockholders holding less than 25% of the issued and outstanding common stock, without the assistance of management, may be unable to propose a vote on any transaction that would delay, defer or prevent a change of control, even if the transaction were in the best interests of our stockholders.

*Requirements for Advance Notification of Stockholder Nominations and Proposals.* Our certificate of incorporation and bylaws have advance notice procedures with respect to stockholder proposals and nominations of candidates for election as directors, other than nominations made by or at the direction of our Board or a committee of our Board. The business to be conducted at a meeting will be limited to business properly brought before the meeting, in accordance with our certificate of incorporation and bylaws. Failure to follow the procedures set forth in our certificate of incorporation and bylaws will result in the chairman of the meeting disregarding the nomination or declaring that the proposed business will not be transacted.

#### **Limitations on Directors’ Liability**

Our certificate of incorporation and bylaws contain provisions indemnifying our directors and officers to the fullest extent permitted by Delaware law.

In addition, as permitted by Delaware law, our certificate of incorporation provides that no director will be liable to us or our stockholders for monetary damages for breach of the director’s fiduciary duty as a director. The effect of this provision is to restrict our rights and the rights of our stockholders in derivative suits to recover monetary damages against a director for breach of the director’s fiduciary duty as a director, except that a director will be personally liable for:

- any breach of his or her duty of loyalty to us or our stockholders;
- acts or omissions not in good faith which involve intentional misconduct or a knowing violation of law;
- the payment of dividends or the redemption or purchase of stock in violation of Delaware law; or

any transaction from which the director derived an improper personal benefit.

This provision does not affect a director's liability under the federal securities laws.

#### **2017 Registration Rights Agreement**

In connection with the offering described above in “—Preferred Stock—Series A Preferred Stock,” we entered into a registration rights agreement with the investors in such offering, dated February 24, 2017, pursuant to which we filed a Registration Statement on Form S-3, which was declared effective by the SEC on April 21, 2017 (the “2017 Form S-3”), to register for resale the shares of common stock, the shares issuable upon exercise of the warrants to purchase common stock and the Conversion Shares sold or issuable in the 2017 Private Placement. We are obligated to take such actions to keep the 2017 Form S-3 effective and supplement the 2017 Form S-3 from time to time as necessary.

#### **Purchase Warrants, Placement Agent Warrant and Pre-Funded Warrants**

On November 7, 2019, in connection with the Offering we issued and sold (i) Pre-Funded Warrants to purchase up to 868,443 shares of common stock issuable upon exercise of Pre-Funded Warrants to certain investors at a price of \$2.4763 per share minus a nominal exercise price of \$0.001 for each Pre-Funded Warrant Share. The Pre-Funded Warrants were issued to certain investors whose purchase of shares of common stock would make them the beneficial owners of more than 4.99% (or, at the investor's election, 9.99%) of our outstanding common stock. The Pre-Funded Warrants were immediately exercisable as of the Closing Date and will not expire prior to exercise.

In addition, under the terms of the Purchase Agreement, we issued Purchase Warrants to purchase up to an aggregate of 1,766,751 shares of our common stock with an exercise price of \$2.32 per share. The total number of Purchase Warrant Shares represented 125% warrant coverage to the Investor Shares and Pre-Funded Warrant Shares purchased in the Offering. The Purchase Warrants were exercisable immediately as of the Closing Date and expire five years from the date of issuance.

The terms of the Purchase Warrants provide that each Purchase Warrant may be exercised on a cashless basis at any time if, at the time of exercise thereof, there is no effective registration statement registering, or the prospectus contained therein is not available for the resale of, the shares underlying such Purchase Warrants by the holder thereof. The terms of the Pre-Funded Warrants provide that each Pre-Funded Warrant may be exercised on a cashless basis at any time.

As compensation to the placement agent in the Offering, in addition to a cash fee for its services, we issued the Placement Agent Warrant to purchase up to 70,670 shares of common stock, with an exercise price of \$2.9716 per share. The other terms of the Placement Agent Warrant are substantially the same as the Purchase Warrants.

The exercise prices of the Pre-Funded Warrants, the Purchase Warrants and the Placement Agent Warrant are subject to adjustment for stock splits, stock dividends, recapitalizations, and similar transactions as provided for in the terms of the Pre-Funded Warrants, the Purchase Warrants and the Placement Agent Warrant. The holders may exercise the Pre-Funded Warrants, the Placement Agent Warrant or the Purchase Warrants in whole or in part.

## SELLING STOCKHOLDERS

The shares of common stock being offered by the selling stockholders are those previously issued to the selling stockholders, and those issuable to the selling stockholders upon exercise of the Purchase Warrants, the Placement Agent Warrant and the Pre-Funded Warrants. For additional information regarding the issuances of those securities, please see “Prospectus Summary—Recent Developments—Private Placement.” We are registering the shares of common stock pursuant to the Registration Rights Agreement in order to permit the selling stockholders to offer the shares for resale from time to time. Except for (i) the ownership of the shares of common stock, other warrants, the Purchase Warrants, the Placement Agent Warrant and the Pre-Funded Warrants, (ii) Dr. Lon E. Bell’s service as our Chief Executive Officer and Chairman of the Board, (iii) Craig-Hallum Capital Group LLC, which acted as our placement agent in the Offering, and (iv) and the selling stockholders affiliated with Craig-Hallum Capital Group LLC, which acted as our placement agent in the Offering, the selling stockholders have not had any material relationship with us within the past three years. Furthermore, except as set forth below, none of the selling stockholders is a broker-dealer registered under Section 15 of the Exchange Act or an affiliate of a broker-dealer registered under Section 15 of the Exchange Act.

The table below lists the selling stockholders and other information regarding the beneficial ownership of the shares of common stock by each of the selling stockholders. The second column lists the number of shares of common stock beneficially owned by each selling stockholder, based on its ownership of the shares of common stock, the Purchase Warrants, the Placement Agent Warrant and the Pre-Funded Warrants, as of the date of this prospectus, assuming exercise of the Purchase Warrants, the Placement Agent Warrant and the Pre-Funded Warrants held by the selling stockholders on that date, without regard to any limitations on exercises.

The third column lists the shares of common stock being offered by this prospectus by the selling stockholders, assuming exercise of the Purchase Warrants, the Placement Agent Warrant and the Pre-Funded Warrants held by the selling stockholders as of the date of this prospectus, without regard to any limitations on exercises.

In accordance with the terms of the Registration Rights Agreement, this prospectus generally covers the resale of the sum of (i) the number of shares of common stock issued to the selling stockholders in the Offering and (ii) the maximum number of shares of common stock issuable upon exercise of the Purchase Warrants, the Placement Agent Warrant and the Pre-Funded Warrants, determined as if the outstanding Purchase Warrants, the Placement Agent Warrant and Pre-Funded Warrants were exercised in full as of the trading day immediately preceding the date the registration statement of which this prospectus forms as part was initially filed with the SEC, each as of the trading day immediately preceding the applicable date of determination and all subject to adjustment as provided in the Registration Rights Agreement, without regard to any limitations on exercises. The fourth column assumes the sale of all of the shares offered by the selling stockholders pursuant to this prospectus, assuming exercise of the Purchase Warrants, the Placement Agent Warrant and the Pre-Funded Warrants held by the selling stockholders as of the date of this prospectus, without regard to any limitations on exercises, and that the selling stockholders do not acquire any additional shares. Information in the table below, with respect to beneficial ownership, has been furnished by the selling stockholders.

Under the terms of the Purchase Warrants, the Placement Agent Warrant and the Pre-Funded Warrants, a selling stockholder may not exercise the Purchase Warrants, the Placement Agent Warrant or the Pre-Funded Warrants to the extent such exercise would cause such selling stockholder, together with its affiliates and attribution parties, to beneficially own a number of shares of common stock which would exceed 4.99% or 9.99% of our then outstanding common stock following such exercise, excluding for purposes of such determination shares of common stock issuable upon exercise of the Purchase Warrants, the Placement Agent Warrant and the Pre-Funded Warrants which have not been exercised. The number of shares in the second column does not reflect this limitation.

Information concerning the selling stockholders may change from time to time and any changed information will be set forth in supplements to this prospectus, if and when necessary. The selling stockholders may sell all, some or none of their shares in this offering. We cannot advise you as to whether the selling stockholders will in fact sell any or all of such shares. In addition, the selling stockholders listed in the table below may have sold, transferred or otherwise disposed of, or may sell, transfer or otherwise dispose of, at any time and from time to time, shares in transactions exempt from the registration requirements of the Securities Act, after the date on which they provided the information set forth in the table below. See “Plan of Distribution.”

To our knowledge, each person named in the table has sole voting and investment power with respect to all of the securities shown as beneficially owned by such person, except as otherwise set forth in the notes to the table. The number of securities shown represents the number of securities the person “beneficially owns,” as determined by the rules of the SEC. The SEC has defined “beneficial” ownership of a security to mean the possession, directly or indirectly, of voting power and/or investment power. A security holder is also deemed to be, as of any date, the beneficial owner of all securities that such security holder has the right to acquire within 60 days after that date through (1) the exercise of any option, warrant or right, (2) the conversion of a security, (3) the power to revoke a trust, discretionary account or similar arrangement, or (4) the automatic termination of a trust, discretionary account or similar arrangement.

The percentages in the table below reflect beneficial ownership immediately prior to the date of this prospectus and immediately after the resale of all shares subject to resale pursuant to this prospectus as determined in accordance with Rule 13d-3 under the Exchange Act and are based on 2,099,951 shares of our common stock outstanding as of the date of this prospectus.

## PLAN OF DISTRIBUTION

Each selling stockholder of the securities and any of their pledgees, assignees and successors-in-interest may, from time to time, sell any or all of their securities covered hereby on the principal Trading Market (as defined in the Purchase Agreement, which is filed as an exhibit to the registration statement of which this prospectus forms as part) or any other stock exchange, market or trading facility on which the securities are traded or in private transactions. These sales may be at fixed or negotiated prices. A selling stockholder may use any one or more of the following methods when selling securities:

- ordinary brokerage transactions and transactions in which the broker-dealer solicits purchasers;
- block trades in which the broker-dealer will attempt to sell the securities as agent but may position and resell a portion of the block as principal to facilitate the transaction;
- purchases by a broker-dealer as principal and resale by the broker-dealer for its account;
- an exchange distribution in accordance with the rules of the applicable exchange;
- privately negotiated transactions;
- settlement of short sales;
- in transactions through broker-dealers that agree with the selling stockholders to sell a specified number of such securities at a stipulated price per security;
- through the writing or settlement of options or other hedging transactions, whether through an options exchange or otherwise;
- a combination of any such methods of sale; or
- any other method permitted pursuant to applicable law.

The selling stockholders may also sell securities under Rule 144 or any other exemption from registration under the Securities Act, if available, rather than under this prospectus.

Broker-dealers engaged by the selling stockholders may arrange for other brokers-dealers to participate in sales. Broker-dealers may receive commissions or discounts from the selling stockholders (or, if any broker-dealer acts as agent for the purchaser of securities, from the purchaser) in amounts to be negotiated, but, except as set forth in a supplement to this prospectus, in the case of an agency transaction not in excess of a customary brokerage commission in compliance with the Financial Industry Regulatory Authority, Inc. ("FINRA") Rule 2440; and in the case of a principal transaction a markup or markdown in compliance with FINRA IM-2440.

In connection with the sale of the securities or interests therein, the selling stockholders may enter into hedging transactions with broker-dealers or other financial institutions, which may in turn engage in short sales of the securities in the course of hedging the positions they assume. The selling stockholders may also sell securities short and deliver these securities to close out their short positions, or loan or pledge the securities to broker-dealers that in turn may sell these securities. The selling stockholders may also enter into option or other transactions with broker-dealers or other financial institutions or create one or more derivative securities which require the delivery to such broker-dealer or other financial institution of securities offered by this prospectus, which securities such broker-dealer or other financial institution may resell pursuant to this prospectus (as supplemented or amended to reflect such transaction).

The selling stockholders and any broker-dealers or agents that are involved in selling the securities may be deemed to be "underwriters" within the meaning of the Securities Act in connection with such sales. In such event, any commissions received by such broker-dealers or agents and any profit on the resale of the securities purchased by them may be deemed to be underwriting commissions or discounts under the Securities Act. Each selling stockholder has informed us that it does not have any written or oral agreement or understanding, directly or indirectly, with any person to distribute the securities.

We are required to pay certain fees and expenses incurred by us incident to the registration of the securities, other than underwriting discounts, selling commissions and brokerage fees. Pursuant to the Registration Rights Agreement, we have agreed to indemnify the selling stockholders against certain losses, claims, damages and liabilities, including liabilities under the Securities Act.

We agreed to keep the registration statement of which this prospectus forms a part effective until the earlier of (i) the date on which the securities may be resold by the selling stockholders without registration and without regard to any volume or manner-of-sale limitations by reason of Rule 144, without the requirement for us to be in compliance with the current public information under Rule 144 under the Securities Act or any other rule of similar effect or (ii) all of the securities have been sold pursuant to this prospectus or Rule 144 under the Securities Act or any other rule of similar effect. The resale securities will be sold only through registered or licensed brokers or dealers if required under applicable state securities laws. In addition, in certain states, the resale securities covered hereby may not be sold unless they have been registered or qualified for sale in the applicable state or an exemption from the registration or qualification requirement is available and is complied with.

Under applicable rules and regulations under the Exchange Act, any person engaged in the distribution of the resale securities may not simultaneously engage in market making activities with respect to the common stock for the applicable restricted period, as defined in Regulation M, prior to the commencement of the distribution. In addition, the selling stockholders will be subject to applicable provisions of the Exchange Act and the rules and regulations thereunder, including Regulation M, which may limit the timing of purchases and sales of the common stock by the selling stockholders or any other person. We will make copies of this prospectus available to the selling stockholders and have informed them of the need to deliver a copy of this prospectus to each purchaser at or prior to the time of the sale (including by compliance with Rule 172 under the Securities Act).

## LEGAL MATTERS

The validity of the shares of our common stock offered by this prospectus will be passed upon for us by Perkins Coie LLP. Additional legal matters may be passed upon for us, the selling stockholders or any underwriters, dealers or agents, by counsel that we will name in the applicable prospectus supplement.

**Item 15. Indemnification of Directors and Officers**

Section 145 of the Delaware General Corporation Law (the "DGCL") provides, in general, that a corporation may indemnify directors and officers as well as other employees and individuals against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with any threatened, pending or completed actions, suits or proceedings in which such person is made a party by reason of such person being or having been a director, officer, employee or agent to the corporation. In the case of a derivative action, a Delaware corporation may indemnify any such person against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection with the defense or settlement of such action or suit if such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the corporation, except that no indemnification will be made in respect of any claim, issue or matter as to which such person will have been adjudged to be liable to the corporation unless and only to the extent that the Court of Chancery of the State of Delaware or any other court in which such action was brought determines such person is fairly and reasonably entitled to indemnity for such expenses. The DGCL provides that Section 145 is not exclusive of other rights to which those seeking indemnification may be entitled under any bylaw, agreement, vote of stockholders or disinterested directors or otherwise.

The registrant's certificate of incorporation, as amended, and bylaws provide that it will indemnify its directors, officers, employees and agents to the extent and in the manner permitted by the provisions of the DGCL, as amended from time to time, subject to any permissible expansion or limitation of such indemnification, as may be set forth in any stockholders' or directors' resolution or by contract. Any repeal or modification of these provisions approved by the registrant's stockholders will be prospective only and will not adversely affect any limitation on the liability of any of the registrant's directors or officers existing as of the time of such repeal or modification.

The registrant's certificate of incorporation, as amended, provides that no director is liable to the registrant or its stockholders for monetary damages for breach of fiduciary duty as a director to the fullest extent permitted by the DGCL, except for liability (i) for any breach of the director's duty of loyalty to the registrant or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under Section 174 of the DGCL, or (iv) for any transaction from which the director derived an improper personal benefit. If the DGCL is amended after the date hereof to authorize corporate action further eliminating or limiting the personal liability of directors, then the liability of a director of the Corporation shall be eliminated or limited to the fullest extent permitted by the Delaware General Corporation Law, as so amended.

The registrant has also obtained insurance covering its directors and officers for liability arising out of their respective actions.

Any underwriting agreement will provide for indemnification by the underwriters and the selling stockholders of the registrant and its officers and directors for certain liabilities arising under the Securities Act of 1933, as amended, or otherwise.

## Item 17. Undertakings

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) to reflect in the prospectus any facts or events arising after the effective date of this registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) to include any material information with respect to the plan of distribution not previously disclosed in this registration statement or any material change to such information in this registration statement;

*provided, however*, that paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) above do not apply if the registration statement is on Form S-3 or Form F-3 and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in this registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of this registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof. *Provided, however*, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

## SIGNATURES

**Re: Registration Statement on Form S-3 Filed by Ideal Power Inc.**

Ladies and Gentlemen:

We have acted as counsel to Ideal Power Inc., a Delaware corporation (the "Company"), in connection with the preparation and filing with the Securities and Exchange Commission (the "Commission") pursuant to the Securities Act of 1933, as amended (the "Securities Act"), and the rules and regulations promulgated thereunder, of a registration statement on Form S-3 (the "Registration Statement") for the registration of the resale from time to time by the selling stockholders of the Company named in the Registration Statement (collectively, the "Selling Stockholders") of up to 3,250,814 shares of common stock, par value \$0.001 per share, of the Company (the "Common Stock"), consisting of up to (i) 544,950 shares of Common Stock (the "Shares") currently held by the Selling Stockholders and (ii) 2,705,864 shares of Common Stock issuable upon the exercise of outstanding warrants to purchase shares of Common Stock held by the Selling Stockholders (the "Warrants," and such shares of Common Stock underlying the Warrants, the "Warrant Shares") to be acquired by the Selling Stockholders upon exercise of the Warrants.

We have examined the Registration Statement and such documents and records of the Company and other documents as we have deemed necessary for the purposes of this opinion. In such examination, we have assumed the following: (i) the authenticity of original documents and the genuineness of all signatures; (ii) the conformity to the originals of all documents submitted to us as copies; and (iii) the truth, accuracy and completeness of the information, representations and warranties contained in the records, documents, instruments and certificates we have reviewed.

Based upon the foregoing, it is our opinion that:

1. The Shares have been validly issued, and are fully paid and non-assessable.
  2.
